

## ACLS Provider & PALS Provider Pre-Course Work

Students registered for the ACLS and PALS courses are now required to complete the Pre-Course Self-Assessment and a series of video lessons with knowledge checks before coming to class. These videos lessons are referred to as Pre-Course Work. Students must present their Pre-Course Self-Assessment scoring report, showing a passing score of at least 70%, and their Pre-Course Work Certificate of Completion when coming to class.

The benefits of this new class format will allow more classroom time to focus on hands-on skills training and leads to students being better prepared to participate as soon as they enter the classroom.

**Note: Students, who have not completed the Pre-Course Self-Assessment and Pre-Course Work, will not be allowed to stay for class.**

Follow these instructions to access the Pre-Course Self-Assessment and Pre-Course Work. Allow yourself 3 – 4 hours to complete.

### How to Find Pre-Course Self-Assessment and Pre-Course Work

**Step 1:** Navigate to [www.eLearning.Heart.org](http://www.eLearning.Heart.org)

**Step 2:** Drop-down the 'Courses' section and select your discipline (ACLS or PALS) and CME/CE Credited Courses

The screenshot shows the eLearning American Heart Association website. The header includes the logo, navigation links (Courses, About eLearning, Support), and a search bar. The main content area is titled 'Course Catalog' and shows a list of courses with checkboxes for selection. The 'Apply Filter' section is expanded, showing the following filters:

Filter	Selected
CME/CE Credited Courses	<input checked="" type="checkbox"/>
All Courses	<input type="checkbox"/>
Basic Life Support (BLS)	<input type="checkbox"/>
Instructor Training	<input type="checkbox"/>
Instructor Updates	<input type="checkbox"/>
Heartsaver	<input type="checkbox"/>
First Aid	<input type="checkbox"/>
CPR & AED for Non-Healthcare Professionals	<input type="checkbox"/>
Advanced Cardiovascular Life Support (ACLS)	<input checked="" type="checkbox"/>
Pediatric Advanced Life Support (PALS)	<input checked="" type="checkbox"/>

**Step 3:** Find your Precourse Self-Assessment and Precourse Work and select 'Launch this Course' to begin (See screenshots below for exact course names)

### ACLS Precourse Self-Assessment and Precourse Work

[LAUNCH THIS COURSE](#)

The Advanced Cardiovascular Life Support (ACLS) Precourse Self-Assessment evaluates a student's knowledge before the course to evaluate proficiency and determine the need for additional review and practice. The ACLS Precourse Work involves a student reviewing course content through online videos before entering the classroom. The video lessons cover multiple medical subjects and each lesson includes questions to engage the student. [Learn More »](#)
